BOOK SYNOPSIS

When your child has just been diagnosed with autism, questions and concerns immediately flood your mind. What do I need to know first? What do I need to do first? What program is right for my child? This book discusses the components of a perfect program for young children with autism, including a variety of proven techniques, and gives parents tools to assess whether or not they fit their child and their family. It also includes a how-to-guide for setting up an effective Individual Family Service Plan (IFSP) and transitioning a child with autism into a public school program.
