BOOK SYNOPSIS

An in-depth photographic study of the ascetic holy men of India • Includes more than 100 striking color photographs of Sadhus, their extreme austerities, and their holy festivals, including the Kumbha Mela • Examines the practices and beliefs of Sadhus from several different sects • Traces the historical and mythological roots of the Sadhus and shows how they have fundamentally shaped Hinduism since remote antiquity Spiritual adventurers, philosophical monks, naked ascetics, or religious transvestites, the Sadhus of India form a vital and unbroken link between the birth of yoga millennia ago and its present-day expression. Numbering in the millions, these mystic holy men are worshipped by the Hindus as representatives of the gods, yet they remain largely unknown in the West because they often live in far-off places, hidden from everyday life. In this full-color study of Sadhus more than 20 years in the making, photographer Dolf Hartsuiker illustrates the Sadhus' world of ancient magical rituals, religious symbols, and ascetic practices. In his photographic quest across India, the author visited many holy places, attended religious festivals including the Kumbha Mela, and encountered and photographed thousands of Sadhus, befriending several as he was drawn into their inner circle. Sharing more than 100 striking color photographs from his travels, he reveals the Sadhus' utmost devotion to their spiritual path through meditation practices, yoga exercises, penance, and austerities--sometimes taken to the extreme of prolonged self-imposed silence, bodily mortification, such as holding an arm above the head for years, or even ritual suicide--as well as their profound involvement with the mundane world as healers and teachers or magicians and sorcerers. It is a path of knowledge and devotion, renunciation and realization, sexual energy and spiritual power, divine intoxication and mystical union. The author examines the different beliefs and behaviors of each Sadhu sect, including the "sky-clad" Naga Babas, and traces their historical and mythological roots to show how they have fundamentally shaped Hinduism since antiquity. Revealing the powerful "otherworldliness" of the Sadhus, the author also exposes the mystical beauty that emanates from those who have chosen the path of asceticism in pursuit of knowledge of the Absolute and liberation from all earthly bonds.

SADHUS HOLY MEN OF INDIA - Are you looking for Ebook Sadhus Holy Men Of India? You will be glad to know that right now Sadhus Holy Men Of India is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Sadhus Holy Men Of India may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Sadhus Holy Men Of India and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Sadhus Holy Men Of India. To get started finding Sadhus Holy Men Of India, you are right to find our website which has a comprehensive collection of manuals listed.
