## **BOOK SYNOPSIS**

This classic work is a monumental, integrated view of mans search for an understanding of the inner reaches of the mind. In an account that is both exhaustive and exciting, the distinguished psychiatrist and author demonstrates the long chain of development--through the exorcists, magnetists, and hypnotists--that led to the fruition of dynamic psychiatry in the psychological systems of Janet, Freud, Adler, and Jung.

### **THE DISCOVERY OF THE UNCONSCIOUS THE HISTORY AND EVOLUTION OF DYNAMIC PSYCHIATRY**
