BOOK SYNOPSIS

WESTERN CIVILIZATION: BEYOND BOUNDARIES, Seventh Edition, is distinguished for its wider definition of Europe that includes Eastern Europe, Scandinavia, and European frontiers. Recognizing that factors outside the continent affected European history, the authors highlight Europe's place in the world throughout the narrative and in the primary source feature, The Global Record. The seventh edition has a streamlined design and has been carefully revised with features such as focus questions, key terms, and section summaries to help readers understand the material. The reconceived narrative and restructured organization, featuring smaller, more cohesive learning units, make the book easy to use. Available in the following split options: WESTERN CIVILIZATION: BEYOND BOUNDARIES, Seventh Edition Complete, Volume I: To 1715, Volume II: Since 1560, Volume A: To 1500, Volume B: 1300-1815, and Volume C: Since 1789. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

WESTERN CIVILIZATION BEYOND BOUNDARIES VOLUME I TO 1715 - Are you looking for Ebook Western Civilization Beyond Boundaries Volume I To 1715?
